The NexGen Fund Platform's offering includes coordinating the work of service providers and structuring of all legal, regulatory and operational aspects of the investment vehicle until, and after, its launch.

Full Range of Tailored Services

The concept includes all necessary components required such as administration, audit, custody and more. All services are provided by some of the most recognized providers in the financial services industry, all of which have a local presence and a long history in the Cayman Islands.

The Cayman Islands - the leading jurisdiction for the domicile and servicing of offshore funds.

KPMG in the Cayman Islands is one of the leading professional services firms, with over 300 employees from over 25 countries and 15 partners delivering audit, tax and advisory services to clients worldwide.

The Cayman office was established in 1989 and has grown from a two-person team to a thriving 60-strong operation. It has a Category B Banking Licence, a Trust licence and a Mutual Fund Administrators licence from the Cayman Islands Monetary Authority.

A law firm with around 470 people, including 60 partners, operating from 10 offices around the globe. Advising the global public and private companies, financial institutions and high net worth individuals, working with them and their advisers to achieve practical solutions.
